Criteria No. 1.1.1.

The Institution facilitates effective curriculum delivery through a well-structured and documented approach, incorporating an academic calendar and continuous internal assessment.

Curriculum - The Institute implements the curriculum designed by the University of Mumbai, which has received an A++ rating from NAAC. To ensure effective delivery, the Institute follows a carefully planned process supported by thorough documentation.

Key components for effective curriculum delivery: - Institute has key components for effective curriculum delivery such as Academic calendar, Class timetable, daily attendance & defaulter list, regular class test, slow learners efforts, Remedial lectures, class tests, Advance learners, efforts, Add on course, Cross cutting issues, Project based on curriculum, Internal Examination, Term end Examination, Evaluation, Use of library as learning resource and adherence to the academic calendar.

1. **Academic Calendar** - A foundational element that outlines both teaching-learning and continuous internal assessment components.
2. **Time Table** - A structured schedule for each program's classes, individually created by teachers for F.Y. B.Com, S.Y. B.Com, and T.Y. B.Com.
3. **Daily Attendance List** - Tracking and ensuring consistent student presence in lectures and computer sessions.
4. **Defaulters List** - Identifying students who are irregular or absent from lectures and practical sessions, and making efforts to reintegrate them into regular attendance through follow-ups with students and parents.
5. **Regular Class Tests** - Frequent assessments to evaluate students' comprehension of the material.
6. **Slow Learners efforts**- Students identified as needing extra support based on their performance in class tests and participation in lectures, with additional efforts directed toward their improvement.
7. **Add-on Courses** - Supplementary courses that enhance curriculum delivery and include value-added options.
8. **Cross-Cutting Issues** - Broader themes incorporated into the curriculum to provide a more comprehensive educational experience.
9. **Internal Examination** - Effectiveness of curriculum delivery can be scaled - measured by Exams.
10. **Research Based on Curriculum** – Focuses on different dimensions of curriculum
11. **Term End Examination** - Final assessments conducted at the end of a term to evaluate the overall delivery of the curriculum.
12. **Evaluation** - semester end examination to increase student involvement in curriculum teaching learning process.
13. **Use of Library as learning resource** - The library is utilized as a key resource for both students and teachers, with ongoing efforts to encourage its use.
14. **Project Based on Curriculum** - Projects designed around the curriculum to enhance practical understanding and application of the material.
15. **Syllabus accomplishment report**: Institution used it as a reference tool in determining the ensure syllabus

- 16. PTA Meetings:** HEI frequently organizes parents- teachers' meetings to improve irregular- defaulter students
- 17. Notices to Students:** through Bulk SMS, WhatsApp group communication are used to deliver notices, notes etc.
- 18. Experienced Faculty Pool:** The faculty encourages and inspires the students to put their best and excel in the field of Science and Commerce.
- 19. Important Notes** - Important, Summarily and synoptically extract of knowledge is prescribed to students is a best way to present curriculum.
- 20. ICT classroom** -Integration of ICT in curriculum delivery improves engagement and knowledge retention of learners.
- 21. Feedback Analysis** - Helps to review and continuous appraisal in curriculum delivery.

Curriculum delivery involves an interactive process between teachers and students. The HEI emphasizes this interaction to enhance curriculum effectiveness. The library plays a crucial role as a knowledge resource, supporting curriculum delivery. Engaging students through projects, class tests, and examinations helps maintain their connection with the curriculum. Additionally, the HEI's initiatives include curriculum-based research, add-on value courses, and the integration of cross-cutting issues, all aimed at strengthening curriculum delivery.

Date:- 01st June 2023 Professor Incharge:-

I/c Principal
Dr. Umeshchandra Yadav

Each teacher conducted the regular class test at the same schedule of the academics.

The class test may be objective or subjective. The objective class test is like full in blanks, match the pair, or multiple answer type.

The subjective class tests were written classtest for 1 or 2 marks.

1. 3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and sustainability in transacting the Curriculum.

Nirmala College of commerce, Malad - Mumbai drives for quality education through guidelines (7 criteria of NAAC) cross cutting issues for curriculum enrichment is one of the matrices for curriculum delivery, curriculum planning and implementation. According to the NAAC cross cutting issues at topics that are relevant to the curriculum and should be integrated into it as Professional Ethics, Gender, Human Value and Environment Sustainability

According to this Institute, Cross- cutting issues are topics that affect all aspects of a program. Therefore HEI integrated CCI into all stages of a program through all stages of students for the program as B.com 1st year, 2nd year and 3rd year students collectively.

To integrate cross cutting issues HEI organised induction programs formed as Student's Development Program on Cross Cutting Issues for 6 days. This college and another Educational Institute named as St. Rock's Degree College of Commerce and Science, Borivali (West) combinedly organised 6 days SDP on CCI. It is under the Faculty Exchange Resource Exchange Program.

The First session is on cross cutting issues Meaning, Types and Importance. While the Second day Skill Development Program continued with objectives of Cross Cutting Issues in Curricular Enrichment. The Third session of SDP was on the topic Significance of Professional Ethics and Commerce. Next day the schedule deals with the significance of gender and Commerce. The fifth station of SDP deals with human values in commerce. The last day of SDP was all about significance of environment and sustainability in commerce

The SDP is carried out in the offline session where the expert teachers of both host and MOU College are involved in directing the students about CCI. All students are asked to participate in this Cross Cutting Issues which definitely helps the students to raise as good students, better citizens and best Indian in his or her life.

Notes Of Business Communication Semester - I

2. Explain corporate social responsibility. How does an organisation practice CSR.

Ans: CORPORATE SOCIAL RESPONSIBILITY

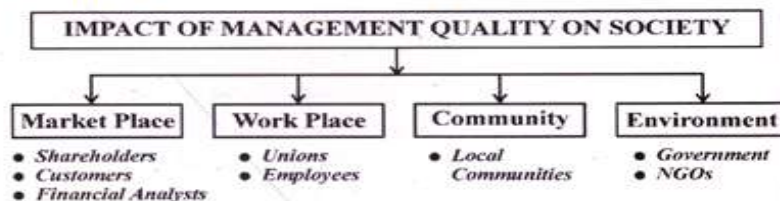

Corporate social responsibility is how companies manage the business processes to produce an overall positive impact on society, employees and the environment.

It involves operating a business in a manner that meets or exceeds the ethical, legal, commercial and public expectations that society has of business.

The key drivers for [CSR] are :-

- 1) **Social Investment:** Contributing to physical infrastructure and social capital is increasingly seen as a necessary part of doing business.
- 2) **Transparency and Trust:** There is increasing expectation that companies will be more open, more accountable and be prepared to report publicly on their performance in social and environmental arenas.
- 3) **Increased Public Expectations of business:** Globally companies are expected to do more than merely provide jobs and contribute to the economy through taxes and employment.

IMPACT OF MANAGEMENT QUALITY ON SOCIETY

Organisations who show corporate social responsibility essentially take care of certain internal and external aspects as follows :-

I) Internal Aspects:-

- i) Taking interest in employee welfare by providing medical care, extended sickness leave, etc.
- ii) Designing jobs to the increased satisfaction of workers.
- iii) Creating conducive working conditions by enhancing the working surroundings aesthetically taking steps for workers safety that are above minimum safety standards etc.

II) External Aspects:-

- 1) Taking steps towards energy conservation
- 2) Generating employment
- 3) Indulging in community activities by sponsoring local events and supporting local good works.
- 4) Selecting suppliers who work on "fair" terms of trade
- 5) Taking responsibility for green issues by attempting to reduce pollution below legal standards.
- 6) Taking conscious decision to maintain ethical advertising standards.
